Greetings Brown Elementary Families,

WELCOME and Happy New School Year! Our mission at Brown Elementary is to inspire a community of learners through authentic learning experiences to accomplish their academic, social and personal goals. **We believe that all families want the very best** for their child/ren including a great education in a safe and nurturing environment. A great education is an equalizer for learners and can provide the learner with opportunities and options for life. Studies show that one of the biggest predictors of student success is the engagement of families in their child's school. **When families and schools team together, empowering partnerships are created that boost student achievement.**

My name is Olivia Fuller, your Brown Elementary Title I Parent Liaison. Part of my role as your Title I Parent Liaison is to provide support, parenting information, answers to questions you may have, information about volunteering opportunities and to inform you about a variety of resources you may find helpful.

Feel free to visit **YOUR ROOM**, also known as the Parent Resource Center. It is located across from the office in room 11 and is currently open for our families to use. We welcome your visit. The Parent Resource Center offers Title I information, a Parent Lending Library, parent brochures and booklets, educational resources, community resource information, and computers to access the Parent Portal in Infinite Campus to monitor your child's progress. We also offer weekly workshops and meetings that inform you about our Title I program at Brown.

Look for our Parent Academy workshops, other workshops and school-wide curriculum events by checking the monthly calendars we send home. Your attendance can make the world of difference for your child. For your convenience, workshops are offered in the morning, two evenings weekly and on a Saturday once a month.

School Tours for families are also provided upon request.

We look forward to supporting you and connecting and collaborating with you this year. If you have any questions or concerns, please email me at olivia.sullivan-fuller@clayton.k12.ga.us or call 770-473-2785, ext. 104124.

*****Parent Resource Center - Room 11 ***Regular hours - 8:00 am to 3:30 pm daily.**

Sincerely,

Olivia Fuller, Title I Parent Liaison
